Upon acceptance, this document shall constitute the contract (Contract) between the offeror and the school food authority.

The Georgia Department of Education (GaDOE) is not and will not be a party to any contract between a School Food Authority (SFA) and a Food Service Management Company (FSMC). The SFA has full responsibility for ensuring that the terms of the Contract are fulfilled. *GaDOE can deny payment to the SFA if the SFA fails to ensure that all parts of the Contract are adhered to.*

II. REQUEST FOR PROPOSALS

A. Legal Notice

Notice is hereby given that the School Food Authority, hereinafter referred to as the SFA, intends to examine alternatives to its present food service program.

No intent should be construed from this legal notice that SFA intends to enter into a contract with any party for alternative food service unless, in the sole opinion of SFA, it is in SFA's best interest to do so.

All costs involved in submitting a response to this Request for Proposals (RFP) shall be borne in full by the party incurring said cost.

SFA reserves the right to accept any proposal which it determines most favorable to the interest of SFA and to reject any or all proposals or any portion of any proposal submitted which, in SFA's opinion, is not in the best interest of SFA.

The offeror to this RFP will be referred to as the FSMC, and any contract that may arise from this RFP will be between the FSMC and the SFA.

B. Request for Proposals

Proposals will be received until 4:00 pm on March 13, 2020 for supplying SFA with food service management services during the school year of April 15, 2020 – June 30, 2021, with options for renewal of the Contract for four (4) additional terms of one year each.

(See Standard Terms and Conditions herein below).

C. Procurement Method

Procurement Method will be the Competitive Sealed Proposals method (commonly known as a Request for Proposals or RFP). The Competitive Sealed Proposals method differs from the traditional sealed bid method in the following ways:

- Competitive sealed proposals allow discussions with competing offerors and adjustments to the initial proposal.
- Comparative judgmental evaluations may be made when selecting among acceptable proposals for award of the Contract.

As provided herein, under state law and, or regulations and SFA's policy, discussions may be conducted with responsible offerors who submit proposals (Proposals) determined to be reasonably susceptible to be selected for award, for the purpose of clarification, to assure full understanding of all terms and conditions of the response to this RFP and Contract's requirements. In conducting these discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with 2 CFR § 200.

D. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, to clarify any questions, and for a walkthrough of the facilities with school officials will be scheduled upon request.

Location: 4105 Briarcliff Road NE Atlanta GA 30345 Attendance is optional. Vendor presentations will not be scheduled at this time.

E. Proposal Submission and Award

SFAs must use the prototype FSMC RFP and Contract to be approved. An SFA not completing the required procurement procedures cannot be approved for participation in the reimbursement programs.

SFA reserves the right to accept any Proposal which it deems most favorable to the interest of SFA and to reject any or all Proposals or any portion of any Proposal submitted which, in SFA's opinion, is not in the best interest of SFA.

To be considered, each offeror must submit a complete response to this solicitation **using the forms provided, along with any other documents submitted as a part of the Proposal and considered responsive to this RFP.** No other documents submitted with the RFP and Contract will affect the Contract provisions, and **there may be no modifications to the RFP and Contract language.** In the event that offeror modifies, revises, or changes the RFP and/or Contract in any manner, SFA may reject the offer as non-responsive.

(Section O offers SFA the opportunity to include any additional services that SFA may need, such as a marketing program and salad bars.)

A responsible offeror is one who's financial, technical, and other resources indicate an ability to perform the services required. Offeror shall submit for consideration such records of work and further evidence as may be required by the

SFA's Board of Trustees. Failure to furnish such records and evidence, or the inclusion of any false or misleading information therein, shall be sufficient cause for the rejection of the Proposal or termination of any subsequent Contract. - If offeror is presently operating a comparable, successful National School Lunch Program (NSLP) and School Breakfast Program (SBP) in a school setting, offeror will receive points for that experience in the evaluation of the weight criteria.

Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the offerors own risk, and it cannot secure relief on plea of error. The SFA is not liable for any cost incurred by the offeror in submitting a proposal. **Paying the FSMC from School Nutrition Program funds is prohibited until the Contract is signed by the SFA and the awarded vendor and the signed contract is sent to the state agency (SA).**

Any change to the scope of services to be provided by FSMC that is beyond the scope or original intent of this RFP and Contract, or that would constitute a material change to the RFP/Contract must be rebid. 5. FSMC may not change or vary the menus after the first menu cycle for the NSLP, SBP, ASCP, Summer Program or the a la carte items without written approval of SFA. SFA shall approve the menus no later than two weeks prior to service. (Reference 7 CFR §210.16 and 7 CFR §210.10) Any changes or variances requested by FSMC for substitutions to SFA menu of lower quality food items shall be justified and documented in writing by FSMC. FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to SFA, GADOE and USDA for review upon request. (7 CFR 210.16(c) (1) and 7 CFR §210.23)

6. FSMC must submit a FFVP (Fresh Fruits and Vegetable Program) cycle menu based on the information contained in the 2004 Resource, *Fruits and Vegetables Galore: Helping Kids Eat More*, available from the FNS website, and as described in current guidance from USDA and GADOE.

7. FSMC must comply with SFA's local wellness policy. In addition, the FSMC must comply with all state and local laws that affect school meal preparation and/or service.

E. Purchases

1. If FSMC is procuring goods or services that are being charged to SFA under a cost- reimbursable contract or under Section O of this Contract:

a. FSMC may not serve as a vendor.

b. SFA shall ensure that FSMC fully discloses all discounts, rebates, Applicable Credits, allowances, and incentives received by the FSMC. Allowable costs will be paid from the nonprofit school food service account to the FSMC net of all discounts, rebates and other applicable credits accruing to or received by the FSMC or any assignee under the Contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority.

c. If FSMC receives a discount, rebate, applicable credit, allowance, or incentive, FSMC must disclose and return to the SFA nonprofit school food service account the full amount of the discount, rebate, or Applicable Credit that is received based on the purchases made on behalf of SFA, and appropriate records to ensure compliance must be maintained by FSMC. 7 CFR Part 210.21(f)(l)(i).

d. FSMC's determination of its allowable costs must be made in compliance with the applicable Department and Programs regulations (Reference 2 CFR Part 200).

e. FSMC must (1) separately identify, for each cost submitted for payment to the school food authority, the amount of an Allowable Cost and the amount that is unallowable, or (2) FSMC must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and that records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for Contract cost determination and verification.

f. FSMC shall identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to SFA for payment and

individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit.

g. The method by which FSMC shall report discounts, rebates and other Applicable Credits allocable to the Contract that are not reported before the conclusion of the Contract is monthly reporting.

h. All discounts, rebates, allowances, and incentives must be returned to SFA by deduction from invoice during period discount received

i. Under a cost-reimbursable contract, FSMC shall maintain documentation of costs and discounts, rebates and other Applicable Credits consistent with federal, state and local regulations, and shall furnish such documentation upon request to the SFA, or state or federal representatives or auditors.

2. Whether SFA conducts its own procurement or whether FSMC procures products on behalf of SFA, FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving FSMC.

3. FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or GADOE review. Cost should be broken into two categories, operational cost and administrative cost.

a. Operational cost should cover the primary cost to run the FFVP to include purchase of fruits and vegetables, including the cost of pre-cut produce and delivery of charges; non-food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables, and in maintaining a sanitary environment.

b. Administrative costs are used principally to support planning and managing the program. Administrative costs cannot exceed ten (10%) percent of the SFA's FFVP costs. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for administrative costs. GADOE will monitor the SFA and FSMC to ensure strict compliance with this provision.

4. SFA must check one of the purchasing options stated herein below

- a. SFA will do all purchasing for School Nutrition Program.
- b. Except for Section O, Paragraph 2, SFA will do all purchasing for CNP.
- c. For Cost-Reimbursable Contracts: FSMC bills SFA for foods when purchased. At the option of SFA, FSMC will purchase back unused supplies from SFA at the termination of the Contract in order to prevent overbuying (if FSMC bills SFA for supplies as purchased, rather than as used).
- d. For Fixed-Price Per Meal Contracts: FSMC bills SFA for foods when purchased

5. SFA and FSMC acknowledge that, to the extent required by 7 CFR § 250.23 and 2 CFR Part 200, SFA must, whenever possible, purchase only food products that are produced in the United States.

6. SFA and FSMC acknowledge that to the extent required by Georgia Education Code § 44.042(a), unless preempted by federal law or regulations, SFA or FSMC, if box c or d has been checked in paragraph 3 herein above, will use best efforts to purchase agricultural products produced, processed or grown in Georgia if the cost and quality are equal.

The availability of Georgia products is expected by SFA. The farm to school relationship should be enhanced, encouraged and supported by any vendor supplying goods to SFA. Therefore, SFA will always give preference to items that can be delivered within 24 hours of harvest or production. It is encouraged that the FSMC submit a list of locally grown, processed, and manufactured items available through them for consideration on a regular basis. The products must be labeled, and a good faith effort put forward by FSMC to purchase local first when available. In keeping with our mission of establishing relationships, we advocate for a fair price be paid to farmers to help make this important segment of our business sustainable.

F. USDA-Donated Foods

- 1. SFA shall retain title to all USDA-donated foods.

2. FSMC will conduct all activities relating to donated foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225 and 226, as applicable.

3. SFA shall assure that the maximum amount of USDA-donated foods are received and utilized by FSMC. (7 CFR § 210.9(b)(15))

4. SFA shall ensure that FSMC has credited it for the value of all USDA-donated foods received for use in SFA's meal service in the school year. (7 CFR § 250.51(a))

5. SFA shall maintain responsibility for procuring processing agreements, private storage facilities, or any other aspect of financial management relating to commodities. (7 CFR § 250.15)

6. FSMC shall accept and use all donated ground beef and ground pork products, and all processed end products, without substitution, in SFA's Food Service Program. Upon termination of this Contract, or if this Contract is not extended or renewed, FSMC must return all unused donated ground beef, pork and processed end products to SFA. 7 CFR § 250.52(c)

7. FSMC further agrees to accept and use all other donated foods in SFA's food service. FSMC may use substitute commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA-donated foods, in SFA's Food Service Program.

SFA shall consult with the FSMC in the selection of commodities; however, the final determination as to the acceptance of commodities must be made by the SFA.

Upon termination of this Contract, FSMC must, at SFA's discretion, return other unused USDA-donated foods to SFA. The value of other unused USDA-donated foods shall be based on the market value of all USDA-donated foods received for use in SFA's food service. (7 CFR § 250.51(a))

8. FSMC is prohibited from entering into any processing contracts utilizing USDA-donated foods on behalf of the SFA. FSMC agrees that any procurement of end products by FSMC on behalf of SFA will be in compliance with the requirements in subpart C of 7 CFR Part 250 and with the provisions of SFA's processing agreements. FSMC shall credit SFA for the value of USDA-donated foods contained in the end products at the processing agreement value. All refunds received from processors must be credited to SFA's Nonprofit School Food Service Account. (7 CFR § 250.51(a))

9. FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA-donated foods.

10. FSMC shall credit SFA for the value of all USDA-donated foods received for the use in SFA's meal service in the school year, including both entitlement and bonus foods, and including the value of USDA-donated foods contained in processed end products. The manner in which FSMC shall account for the value of USDA-donated foods is (SFA must check box for type of contract it is seeking) (7 CFR § 250.51):

Fixed-meal rate: FSMC must subtract from SFA's monthly bill/invoice the market value of all USDA-donated foods received for use in SFA's food service. The market value is based on the allocated value provided to the SFA through GADOE food distribution unit.

FSMC is prohibited from cashing out USDA-donated foods and providing a credit to SFA for USDA-donated foods. (7 CFR § 250.13)

11. FSMC will comply with 7 CFR 250.14(b) and 250.52 concerning storage and inventory management of USDA-donated foods in accordance with 7 CFR 250.52. FSMC will maintain accurate and complete records with respect to the receipt; use/disposition, storage, and inventory of USDA-donated foods (include if **SFA seeking a cost-reimbursable contract...** and ensure that its system of inventory management will not result in SFA being charged for USDA- donated foods.) Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA-donated foods.

12. FSMC will comply, as applicable, with 7 CFR 250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of donated foods in processed in products to the SFA, in accordance with requirements in 7 CFR, part 250 subpart C.

13. FSMC shall allow SFA and/or any state or federal representative or auditor, including the Comptroller General and USDA, or their duly authorized representatives, to perform onsite reviews of FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA-donated foods. (7 CFR § 250.53(a) (10))

14. FSMC shall maintain records to document its compliance with requirements relating to USDA-donated foods in accordance with 7 CFR § 250.54(b). (7 CFR § 250.53(a) (11))

15. In a Fixed-meal rate contract, the bid rate per meal must be calculated as if no USDA-donated commodities were available.

16. FSMC acknowledges that renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA-donated foods. (7 CFR § 250.53(a) (12))

17. FSMC shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the school food authority's nonprofit school food service and are fully utilized therein; **(7 CFR § 210.16(a)(6))**

G. Employees

1. FSMC shall provide and pay a staff of qualified management (and operational) employees assigned to duty on SFA's premises for efficient operation of the Programs.

2. SFA must designate if current SFA employees, including site and area managers as well as any other staff, will be retained by SFA or be subject to employment by the FSMC. This must agree with the information reported in the List of Charts and Other Attachments, Chart 4, which is attached to this Contract as Exhibit D and fully incorporated herein and the Schedule of FSMC Employees, which is attached to this Contract as Exhibit H and fully incorporated herein.

Employees retained by: SFA (See Exhibit D, Chart 4.)

FSMC (See Exhibit H.)

Both SFA and FSMC (See Exhibit D, Chart 4 and Exhibit H)

(If SFA is transitioning employees to FSMC payroll, each position to be transitioned and date of anticipated transition shall be identified in Section O, *Optional Requirements to Be Included* herein)

For any employees retained by FSMC, SFA shall provide in Exhibit H a list of each FSMC food service position and the minimum qualifications acceptable to SFA for each position.

3. Any food service position not identified in the above-stated Exhibits shall be an employee of SFA. Such employees shall be supervised on SFA's behalf by FSMC management employees; provided, however, that SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, firing, promotion, discipline, levels of compensation and work duties.

4. If SFA is sharing FSMC employees with other SFAs, SFA shall identify in Chart 9 of the List of Charts and Other Attachments, which is attached to this Contract as Exhibit D and fully incorporated herein, each SFA with whom the FSMC employee is to be shared and state the percentage of time each employee will spend with each SFA. SFA's budget shall reflect percentage of time each employee will work at SFA and for which SFA will be charged.

5. SFA shall have final approval regarding the hiring of FSMC Kitchen Manager

6. FSMC shall comply with all wage and hours of employment requirements of federal and state laws. FSMC shall be responsible for supervising and training personnel, including SFA-employed staff. FSMC shall also be responsible for the hiring and termination of non-management staff who are employees of FSMC.

7. If provided for in the Proposal, SFA and FSMC may transition SFA's food service employees to FSMC's payroll. If transition occurs, FSMC shall give first consideration to current employees of SFA or incumbent contractor when hiring employees to provide services pursuant to this Contract, but FSMC shall not be obligated to hire such employees. SFA shall not pay cost of transferring SFA employees to FSMC payroll. Under a cost-

reimbursable contract, after transition occurs, FSMC may charge the cost of transitioned employees to SFA as Direct Costs.

8. FSMC shall provide Workers' Compensation coverage for its employees, as required by law.

9. FSMC shall instruct its employees to abide by the policies, rules, and regulations with respect to use of SFA's premises as established by SFA and which are furnished in writing to FSMC.

10. FSMC shall maintain its own personnel and fringe benefits policies for its employees, subject to review by SFA. Under a cost-reimbursable contract, fringe benefits, as well as the basis for any salary increases, must be specified in the Proposal and approved by SFA in order for these to be Allowable Costs. Salary increases, if any, shall be awarded, in part, on the basis of criteria mutually established by SFA and FSMC. Such criteria, at a minimum, shall reflect measurable and substantive improvements in operating efficiencies, such as unit costs for food, labor and direct items or specific and identifiable increase in such areas as the total numbers of students and staff participating in food service programs, and the total number of identified students for free and reduced meal reimbursements.

11. FSMC shall assign to duty on SFA's premises only employees acceptable to SFA.

12. Staffing patterns, except for the Food Service Director, shall be mutually agreed upon.

13. FSMC will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such request is not in violation of any federal, state or local employment laws. In the event of the removal or suspension of any such employee, FSMC shall immediately restructure the food service staff to avoid disruption of service.

14. FSMC shall cause all of its employees assigned to duty on SFA's premises to submit to health examinations as required by law and shall submit satisfactory evidence of compliance with all health regulations to SFA upon request.

15. All SFA and FSMC personnel assigned to the food service operation in each school shall be instructed in the use of all emergency valves, switches, and fire and safety devices in the kitchen and cafeteria areas.

16. To the extent and in the manner required by state law, FSMC shall perform a security (background) check on any FSMC employee that will be working at SFA.

17. FSMC shall not blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee of FSMC or SFA discharged from or voluntarily leaving the service of FSMC or SFA with intent of and for the purpose of preventing such employee from engaging in or securing similar or other employment from any other corporation, company, or individual.

18. Both SFA and FSMC shall ensure that their employees adhere to the professional standards and continuing education training requirements as required by federal regulations, codified at 7 CFR Part 210.30, throughout the initial term and all renewals of this Contract. School food authorities that operate the National School Lunch Program, or the School Breakfast Program (7 CFR Part 220), must establish and implement professional standards for school nutrition program directors, managers, and staff, as defined in 7 CFR Part 210.2. Both SFA and FSMC shall establish and implement the foregoing standards and requirements under this Contract.

H. Use of Facilities, Inventory, Equipment, and Storage

2. At the commencement, termination or expiration of this Contract, FSMC and SFA shall take a physical inventory of all non-expendable supplies and capital equipment owned by SFA, including, but not limited to, silverware, trays, chinaware, glassware and kitchen utensils and all furniture, fixtures, and dining room equipment utilized in SFA's Food Service Program. FSMC and SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of this Contract, FSMC shall surrender to SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of FSMC except through the negligence of FSMC or its employees, or for any other reason beyond the

control of FSMC. FSMC and SFA will sign a summary of the beginning inventory at the commencement and at the expiration or termination of this Contract and keep a copy of each on file with this Contract.

3. At the commencement and at the expiration or termination of this Contract, FSMC and SFA shall jointly undertake a beginning and closing inventory of all food and supplies. Commodities shall also be inventoried by a separate inventory. FSMC and SFA shall determine whether any portion of the beginning inventory is not suitable for SFA's continued use. Such inventory, when completed, shall become a part of this Contract by incorporation. FSMC shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from: (1) normal wear and tear; or (2) theft, fire or other casualty loss beyond the control of FSMC and not arising from the negligence of FSMC or its agents. The value of the inventories, except for commodities inventories, shall be determined by invoice cost. The value of commodities inventories shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA-donated foods are received by SFA.

4. During the course of this Contract, title to all SFA food and supplies shall remain with the SFA.

5. FSMC shall maintain the inventory of silverware, chinaware, kitchen utensils and other operating items necessary for the food service operation and at the inventory level as specified by SFA.

6. SFA will replace expendable equipment and replace, repair and maintain nonexpendable equipment except when damages result from the use of less than reasonable care by the employees of FSMC.

7. FSMC shall maintain adequate storage procedures, inventory and control of USDA-donated foods in conformance with SFA's agreement with GADOE.

8. FSMC shall provide SFA with keys for all food service areas secured with locks.

9. SFA shall provide FSMC with local telephone service.

10. SFA shall provide water, gas and electric service for the food service program. If SFA is providing water, gas and electric service for the food service program, charges to the food service

account shall be determined in the following manner: _____. SFA may use this formula:

SFA will:

- 1) Calculate the square footage of the kitchen by developing a percentage of utilities based on the square footage of the food service facilities in relation to the total school square footage.
- 2) Determine the percentage of time the kitchen is in use compared to the total campus use. (The kitchen may operate 7 hours but the school day with activities may be 9 hours.)
- 3) Apply percentages to the average cost of the total utilities.

SFA will only charge utilities for kitchens during months of operation (if the kitchen was not operating in the summer, SFA will not charge the food service operation for utilities during the summer months.) SFA will not include cafeteria usage when the cafeteria is used for purposes other than feeding students (pep rallies, study hall, evening functions).

11. SFA shall furnish and install any equipment and/or make any structural changes to the facilities needed to comply with federal, state, or local laws, ordinances, rules and regulations.

12. SFA shall be responsible for any losses, including USDA-donated foods, which may arise due to equipment malfunction or loss of electrical power not within the control of FSMC.

16. FSMC shall comply with all SFA building rules and regulations.

17. FSMC shall not use SFA's facilities to produce food, meals or services for third parties without the approval of SFA. If such usage is mutually acceptable, there shall be a signed agreement that stipulates the fees to be paid by FSMC to SFA for such facility usage. Such usage may not result in a cost to the Non-profit Food Service Account.

18. SFA, on the termination or expiration of this Contract, shall conduct a physical inventory of all equipment, food and supplies owned by SFA.

19. Upon termination of this Contract, FSMC shall surrender to SFA all of SFA's equipment and furnishings used in SFA's Food Service Program in good repair and condition, reasonable wear and tear excepted.

I. Health Certifications/Food Safety/Sanitation

1. FSMC shall maintain, in the storage preparation and service of food, proper sanitation and health standards in conformance with all applicable State and local laws and regulations, and comply with the food safety inspection requirement of § 210.13(b). (7 CFR § 210.9(b) (14))

(4) The Management Fee represents a profit to the FSMC. SFA must determine whether a Retroactive Incentive Fee will be considered by SFA. Please check one:

SFA will entertain a proposal that includes a Retroactive Incentive Fee per meal served for entire school year for FSMC's Management Fee. FSMC shall include Retroactive Incentive Fee scale in box herein below.

SFA will not entertain a proposal that includes a Retroactive Incentive Fee per meal served for entire school year for FSMC's Management Fee.

If neither box is checked, it is assumed that SFA will not entertain a proposal with a Retroactive Incentive Fee per meal served for FSMC's Management Fee.

To be completed by the FSMC (Complete One):

Flat Fee: \$ _____

OR

Management Fee Per

Meal/Meal Equivalent: \$ _____

(5) Management and General and Administrative Expense Fees shall be paid by the SFA.

Award Criteria

Proposals will be evaluated by a SFA committee based on the offers as set out above and the criteria, categories and assigned weights as stated herein below (to the extent applicable). Committee members must consist of SFA employees familiar with the regulations and requirements of the child nutrition programs. If a committee member is an agent for, employee of or in any other manner associated with a FSMC, that FSMC will be precluded from participating

in the RFP and subsequent contract. Each area of the award criteria must be addressed in detail in the Proposal.

Weighted Evaluation Criteria

SFA must determine in advance what percentage (total of 100 points which equals 100%) each category below will be given when comparing proposals. (SFA may insert additional categories if needed. (See Cost & Financial Proposal criterion below and NOTE: this criterion or consideration must receive more points for the evaluation than the other criteria. For example, if the other nine (9) criteria receive 9.5 points each for a total of 85.5 points, then the Cost & Financial Proposal criterion needs to receive 14.5 points as compared to the other criteria). However, SFA may not include as a category prior experience with SFA as it would violate USDA's free and open competition regulation for procurement.)

Such increases shall be

effective on a prospective basis on each anniversary date of this Contract and will be allowed only if approved in advance by SFA. CPI Fee increases for the upcoming Contract renewal year must be submitted to SFA by April 1 of each year. No other fee increases will be allowed.

5. For the purpose of computing the foregoing meal counts, the number of National School Lunch Program, School Breakfast Program, After School Care Program and Summer Program meals served to children shall be determined by actual count; provided, however, that no payment will be made to FSMC for meals that: (i) are spoiled or unwholesome at the time of delivery; (ii) do not meet detailed specifications as developed by SFA for each food component in the meal pattern; or (iii) do not otherwise meet the requirements of this Contract.

6. Payment Terms/Method: FSMC shall invoice SFA within 5 days after the end of each Accounting Period for the total amount of SFA's financial obligation for that Accounting Period.

7. SFA shall make payment in accordance with the Georgia Prompt Payment Act Tex. Gov't Code Chapter 2251; however, no interest or finance charges that may accrue under this Contract may be paid from SFA's Nonprofit School Food Service Account.

Costs, Charges, and expenses must be mutually agreeable to the SFA and the FSMC and be allowed by GADOE. Upon termination of the Contract, all outstanding amounts shall immediately become due and payable. Each invoice submitted by FSMC will include reconciliation for any overpayment or underpayment from prior Accounting Periods and shall identify and account for donated food as stated herein above.

9. FSMC shall be responsible for paying all applicable taxes and fees, including, but not limited to, excise tax, state and local income tax, payroll and withholding taxes, for FSMC employees. FSMC shall indemnify and hold SFA harmless for all claims arising from payment of such taxes and fees.

10. If this is a cost-reimbursable contract, FSMC shall not pay any bonuses under this Contract that are not specifically provided for in the Budget and within the scope or original intent of this RFP/Contract and FSMC's Proposal. Bonuses, if any, shall be awarded, in part, on the basis

of criteria mutually established by SFA and FSMC. Such criteria, at a minimum, shall reflect measurable and substantive improvements in operating efficiencies, such as unit costs for food, labor and direct items or specific and identifiable increase in such areas as the total numbers of students and staff participating in food service programs and the total number of identified students for free and reduced meal reimbursements.

K. Books and Records

1. FSMC shall maintain such records (supported by invoices, receipts, or other evidence) as SFA will need to meet monthly reporting responsibilities and shall submit monthly operating statements in a format approved by the SFA no later than the 5th day following the month in which services were rendered. Participation records, including claim information by eligibility category, shall be submitted no later than the 5th day following the month in which services were rendered. SFA shall perform edit checks on the participation records provided by the FSMC prior to the preparation and submission of the claim for reimbursement.

3. FSMC shall provide SFA with a year-end statement.

4. If this is a cost-reimbursable contract, SFA may conduct an internal audit of food, labor and other expense items as needed.

5. SFA and FSMC must provide all documents as necessary for the independent auditor to conduct SFA's single audit.

6. FSMC shall make its books and records pertaining to the Contract available, upon demand, in an easily accessible manner for a period of three years after the final claim for reimbursement for the fiscal year to which they pertain. The books and records shall be made available for audit, examination, excerpts, and transcriptions by SFA and/or any state or federal representatives and auditors. If audit findings regarding FSMC's records have not been resolved within the three-year record retention period, the records must be retained beyond the three-year period for as long as required for the resolution of the issues raised by the audit. (Reference 7 CFR §210.9(b)(17) and 2 CFR §200.333).

2. In the event either party commits material breach of this Contract, the non-breaching party shall give the breaching party written notice specifying the default, and the breaching party shall have 30 days within which to cure the default. If the default is not cured within that time, the non-breaching party shall have the right to then terminate this Contract for cause by giving 30 days written notice to the breaching party. If the breach is remedied prior to the proposed termination date, the non-breaching party may elect to continue this Contract. Notwithstanding the foregoing termination clause, in the event that the breach concerns sanitation problems, the failure to maintain insurance coverage as required by this Contract, failure to provide required periodic information or statements or failure to maintain quality of service at a level satisfactory to SFA, SFA may terminate this Contract immediately.

3. In the event that either party is prevented from performing its obligations under this Contract by war, acts of public enemies, fire, flood or acts of God (individually each known as a Force Majeure Event), that party shall be excused from performance for the period of such Force Majeure Event exists.

4. In the event of FSMC's nonperformance under this Contract or the violation or breach of the terms of this Contract, SFA shall have the right to pursue any and all available administrative, contractual and legal remedies against FSMC.

5. FSMC shall promptly pay SFA the full amount of any meal over claims, disallowed costs or other fiscal actions which are attributable to FSMC's actions hereunder, including those

overclaims based on review or audit findings that occurred during the Effective Dates of original and renewal Contracts.

6. SFA is the responsible authority without recourse to USDA or GADOE for the settlement and satisfaction of all contractual and administrative issues arising in any way from this Contract. Such authority includes, but is not limited to, source evaluation, protests, disputes, claims or other matters of a contractual nature.

7. Upon service ending by either Contract expiration or termination, it shall be incumbent upon the FSMC to cooperate fully with the replacement FSMC or SFA if SFA is returning to a self-operated food service and with GADOE to ensure a smooth and timely transition to the replacement FSMC or SFA.

Without limiting the foregoing and except for software provided by SFA, SFA specifically agrees that all software associated with the operation of the food service, including without limitation, menu systems, food production systems, accounting systems and other software, are owned by or licensed to FSMC and not SFA. Furthermore, SFA's access or use of such software shall not create any right, title, interest or copyright in such software and SFA shall not retain such software beyond the termination of this Contract. DESIGNATION OF PROGRAM EXPENSES

The SFA has deemed the following Program Expense schedule to be a necessary part of this bid specification as an indicator of who will bear ultimate responsibility for the cost. The column selected by the SFA for each expense represents whether the SFA or FSMC is ULTIMATELY responsible for that cost.
